Dr. _____

Pinehurst , NC 28374

Dear Dr. _____ ,

We have just examined our mutual patient, _____, and updated his/her panoramic x-ray. An increase in calcification, in the area of the carotid artery(ies), was noted on his/her right/left side when compared with previous x-rays.

We informed Mr./Mrs./Ms. _____ that our panoramic x-ray is a screening tool and further examination at his/her next appointment with you is recommended. Please contact our office should you need any further information.

Sincerely,

Shannon Allison, DDS
